

## **Conditions – Accountor Nederland ‘Member get Member’ Reward Scheme**

The ‘Member get Member’ reward scheme (‘the Reward Scheme’) has been set up by Accountor Nederland B.V. (‘Accountor’).

The Reward Scheme is available exclusively to existing customers of Accountor.

Only existing Accountor customers who refer a new customer to Accountor are eligible for rewards. The new customer must also mention the name of the referring customer when registering.

A new customer is a business or organisation that has not been a customer of Accountor in the 12 months immediately before the referral date.

The referring customer will receive a dinner voucher for €100 (one hundred euros) after the new customer completes the registration process and makes payment.

The dinner voucher will be sent to the referring customer within 30 days after the new customer registers and pays and or submit the new customer's claim.

There is no limit on the number of new customers that an existing customer can refer, but each new customer will only be regarded as a referral once.

The Reward Scheme ends on [30 June 2024], unless stated otherwise by Accountor.

Accountor reserves the right to change, suspend or discontinue the Reward Scheme at any time, without any need for prior notice.

The rewards are non-transferable and cannot be exchanged for cash or transferred in any other way.

By taking part in the Reward Scheme participants consent to these conditions.

Please contact Accountor on [info@accountor.nl](mailto:info@accountor.nl) if you have any questions about the Reward Scheme.
